Discover.
Algonquin College

of Applied Arts and Technology is a publicly funded English-language college located in Ottawa, Ontario, Canada. The college serves the National Capital Region and the outlying areas of Eastern Ontario, Western Quebec, and Upstate New York.

[Learn More](#)

Dijanelle Simon
SA President

"Only with increased capacity can we expand and create a more inclusive program that attracts a greater number of students to participate in physical and social activity. The Students' Association is committed to and focused on programming that results in our students taking personal ownership for their health."

What to expect during construction.

With construction starting in April 2019 we anticipate the new arrival of the ARC building as early as August 2021.

The current SA Fitness Zone and gym will be operating and open as usual. Please visit the Fitness Zone and the Gymnasium for more information on the hours, offerings, and pricing.

About

Who

is ARC? We are the Athletics & Recreation Centre. This is an exciting venture for our Algonquin Community. This facility will provide our students with a place to break through perceptual barriers in a welcoming, safe, inclusive and inviting environment for students of all backgrounds, cultures and abilities to spark a movement.

What

is this going to cost me? This facility will be included in your activity fee. All fee-paying students can use and participate in all activities in the building. As for the facility, it will cost Algonquin College \$48.8 million.

Where

will the ARC building be? The ARC building will be located northeast of the Student Commons building, opposite of the residence. The facility will be an estimated 100,000 square feet! Connected to the Student Commons by a "Plus 15" Pedestrian Link.

Services

Need a break?

Restaurant & Lounge

will have full service throughout the day. Why not come in after a long day of class and order one of our famous poutines. Finished with your food and drink? Why not try out the new billiards area. Grab some friends and dominate them in some pool. Pool, not your thing? Then come on downstairs and try out the new bowling lanes!

Competitive friends?

Bowling Lanes

are finally here. Grab your friends and book a lane at the Students' Association Bowling Lanes that will be part of the upcoming ARC! Don't like bowling? Well, look no further. Practice your swing no matter the weather on the Golf Simulator that will be located in the ARC building.

We Want to Hear From You

If you have an idea for an activity that you think you and your fellow students would love to participate in that we are not already offering, we want to know about it!
